RE: At-Large Advisory Committee (ALAC) Advice to the ICANN Board on gTLD Subsequent Procedures

Maureen Hilyard
Chair, At-Large Advisory Committee (ALAC)

Dear Maureen,

On behalf of the Board, I would like to thank you for your [letter](#) of 30 April, in which you shared the ALAC Advice to the ICANN Board on the topic of Subsequent Procedures.

The Board takes note of the detailed and extensive work of the ALAC in engaging in and commenting on the policy development work of the community in the Subsequent Procedures Policy Development Process Working Group. The ALAC's consideration of the issues as they relate to the interests of individual Internet users is appreciated.

We look forward to engaging with you further as part of the [Board Advice Process](#).

Sincerely,

Maarten Botterman
Chair, ICANN Board of Directors
